

### **Apprentice or Journeyman Line Person**

Due to a retirement, South Central Electric Association, a rural electric cooperative headquartered in St. James, is accepting resumes for the Apprentice or Journeyman Line Person position. The position is based out of the Jeffers office. This person should have strong leadership qualities, should be very safety-conscious, and have a good work ethic. The candidate will be working in all kinds of weather conditions day and night and be able to lift 50lbs. The position requires participation in the “on-call” rotation.

Please send your resume to Jeff Benson, South Central Electric Association, PO Box 150, St. James, MN 56081, or [jbenson@southcentralelectric.com](mailto:jbenson@southcentralelectric.com). Resumes will be accepted until March 7, 2025.

South Central Electric Association is an equal opportunity employer.
