Protect your home and family with a Briggs & Stratton home standby generator

You can be confident that South Central Electric works hard every day to keep your lights on. For those times when mother nature strikes, we still have you covered with our generator program. You can purchase a whole home Briggs & Stratton Fortress generator from South Central Electric. If you lose power, the generator automatically takes over. When power is restored, it automatically shuts down. Power when you need it without the hassles of portable or PTO generators.
